

## Directions for Use of This Activity

Dear Classroom Teachers:

All Title I schools must have signed by parents, a family, school compact. These are examples of such documents used in early childhood settings. Feel free to use or adapt these to meet your needs.

# School Readiness Family-School Partnership Agreement

The goal of the School Readiness program is to create a learning environment where students, their families and program staff are safe and respected, and where we as a community can learn and grow together.

### As a student I will:

- Listen to adults and follow directions at school.
- Be a good friend by being respectful and safe.
- Work hard to learn at school.
- Use classroom materials respectfully and appropriately.

### As a parent or guardian I will:

- Talk with my child about daily school activities.
- Send my child to school every day on time and ready to learn.
- Respect program staff and students.
- Communicate regularly with teachers.
- Participate in family involvement experiences in school and at home.

### As a teacher I will:

- Encourage each child's special talents, skills and ideas while creating a place where all children can be successful.
- Communicate with students' families on a regular basis.
- Create a learning community that is respectful and safe for all students and their families.
- Encourage family involvement in their child's learning in school and at home.

We agree to join in a partnership to understand the child's strengths and best determine needs for school success. We agree to communicate and listen respectfully to each other. When concerns are voiced, we will join together to design a plan that is in the best interest of the child.
